For the att of Ms Sheenah Cobb

Dear Ms Cobb

FILMING ON BENNACHIE

Reference your letter of 28 October, permission is granted for the filming of TV video tape by Grimley Partnership on Forestry Commission land at Bennachie. This permission is granted on the understanding that it is at the risk of the Grimley Partnership and the Bailies, and will expire on 31 May 1990.

The subject is to be of a general nature as stated in your letter, but we would appreciate a list of the titles of the subjects to be filmed. We are willing to assist you if we can, in particular the work of the Forestry Commission.

I am sure this film will promote Bennachie and the image of the Bailies and the Forestry Commission.

Yours sincerely

R A Sandilands
District Forester H&M
for Forest District Manager
