Dear Mrs Flett

Algy Watson passed to the Bailies of Bennachie library your very kind donation of the Millennium Edition of "The Earlsfield Skinners".

The Bailies' library has an extensive coverage of local history, especially pertaining to Bennachie, but also publications referring to Aberdeenshire and Scotland, the nucleus being formed by Dr Danny Gordon's and Mrs Helen Fraser's legacies. Many new books have been added since then

Your well researched book will be an invaluable source for historians researching the North East, and the Bailies thank you very much for your donation.

Yours sincerely

Dr Geoffrey M. Gill  
Clerk to the Bailies
